PRESENTATIONS

1. Urinary Tract Stones After Small Bowel Bypass for Morbid Obesity. Society of Surgery of the Alimentary Tract, New York, NY, May, 1973.

2. Obesity: Its Association with Elevated Small Bowel Disaccharidase Activity. Surgical Forum, American College of Surgeons Clinical Congress, Chicago, Illinois, October, 1973.
3. Rupture of the Intestine in Patients with Hernia: A Review of the Literature. Southern Medical Association, San Antonio, Texas, November, 1973.
4. The Treatment of Esophageal Stricture in Patients with Scleroderma Esophagus. "Cubby Hole" presentation, Southeastern Surgical Congress. Atlanta, Georgia, April, 1974.
5. The Pathogenesis of Liver Failure After Obesity Bypass. Annual Meeting of the American Gastroenterological Association, San Francisco, California, May, 1974.
6. An Assessment of Staging Laparotomy in Hodgkin's Disease. Southern Medical Association, Atlanta, Georgia, November, 1974.

PRESENTATIONS (continued):

7. Role of Obesity Bypass in Management of Morbid Obesity. Surgery Grand Rounds at University Hospital, Jacksonville, Florida, January, 1975.
8. Role of Obesity Bypass in Management of Morbid Obesity. Horry Medical Society, Myrtle Beach, South Carolina, January, 1975.
9. Complication of Jejunioileal Bypass in the Morbidly Obese. Annual Meeting of the Priestly Society, Orlando, Florida, May, 1975.
10. The Role of Surgery in Management of Pancreatic Disease. Florida Association of General Surgeons, St. Augustine, Florida, October, 1975.
11. The Beneficial Effect of Jejunioileal Bypass. Southern Medical Association, Miami, Florida, November, 1975.
12. A(1) Occurrence of Gastric Ulcer After Nissen Fundoplication. A(2) Experience with the Jejunal Loop Interposition in the Treatment of Postgastrectomy Disorders. Southeastern Surgical Congress, New Orleans, Louisiana, March, 1976.
13. Post Gastrectomy Syndromes. President's Panel Southeastern Surgical Congress, March, 1976.
14. Abdominal Pain in the Young Adult. Southern College Health Association, Gainesville, Florida, March, 1976.
15. Jejunioileal Bypass in the Treatment of Morbid Obesity. Society for Surgery of the Alimentary Tract (SSAT), Miami, Florida, May, 1976.
16. An Improved Technique for Wound Closure in Obese Patients. Southern Medical Association Meeting, New Orleans, Louisiana, November, 1976.

James Patrick O'Leary, MD

Curriculum Vitae

17. (1) Jejunoileal Bypass in the Treatment of Morbid Obesity. (2) Alkaline Reflux Gastritis. Gastroenterology Course, Lake Buena Vista, Florida, February, 1977.
18. The Complicated Duodenal Ulcer Patient: Hypergastrinemia. Postgraduate Course at the Southeastern Surgery Congress, Miami, Florida, April, 1977.
19. Surgical Treatment of Chronic Duodenal Ulcer Disease. Southeastern Surgery Congress, Miami, Florida, April, 1977.
20. In Search of Truth. Graduation address to the Class of 1977, Gainesville, Florida, May, 1977.
21. Jejunoileal Bypass in the Treatment of Morbid Obesity. 81st Annual Convention of the Florida Medical, Dental and Pharmaceutical Association, Gainesville, Florida, June 21, 1977.

PRESENTATIONS (continued):

22. (A) Nutrition in Athletics. (B) Associate Injuries in Athletics. Coaches' Conference for Athletic Preparation Jacksonville, Florida, September 2, 1977.
23. Jejunoileal Bypass in the Treatment of Morbid Obesity. KROC Foundation Conference on Efficacy of Methods of Weight Control, Santa Barbara, California, September 19, 1977.
24. The Picture of Health: (A) Acute Appendicitis; (B) Jejunoileal Bypass in the Treatment of Morbid Obesity; © The Breast: Self Examination; (D) How a Patient Can Ensure Against Needless Surgery. Television interview on topics of public interest and for public information. Filmed by WUFT-TV, Gainesville, Florida, October 10, 1977.
25. The Beneficial Effect of Minidose Heparin in Experimental Peritonitis. American College of Surgeons Surgical Forum, Dallas, Texas, October 17, 1977.
26. Nephrolithiasis After Jejunoileal Bypass: Pathogenesis and Prevention. Second International Congress on Obesity, Washington, D.C., October 24, 1977.
27. Chairman, Treatment: Surgery Workshop. Second International Congress On Obesity, Washington, D.C., October 24, 1977.
28. Chairman, Nutritional Considerations in the Bypass Patient: Workshop for Dietitians. Second International Congress on Obesity, Washington, D.C., October 25, 1977.
29. Metabolic Consequences of Jejunoileal Bypass. Second International Congress on Obesity, Washington, D.C., October 24, 1977.
30. The Postoperative Ulcer - Panel. Southern Medical Association Meeting, Dallas, Texas, November 8, 1977.

James Patrick O'Leary, MD

Curriculum Vitae

31. Seventeen Years Experience with Pancreatoduodenectomy. Southern Medical Association Meeting, Dallas, Texas, November 8, 1977.
32. A Surgeon's Day - Revisited. AED (Alpha Epsilon Delta) Gainesville, Florida, January 19, 1978.
33. Infection as a Complication of Surgery. General Issues. Program in Medical Sciences (PIMS) students, Florida State University, Tallahassee, Florida, March 8, 1978.
34. Complications in Esophageal Hiatus Hernia. American College of Surgeons, Spring Meeting, Cincinnati, Ohio, March 15-16, 1978.
35. Biochemistry of Surgical Nutrition. PIMS students, Florida State University, Tallahassee, Florida, April 24, 1978.

PRESENTATIONS (continued):

36. A Surgeon's Day - Revisited. ASC. Introduction to Medicine and Dentistry, Gainesville, Florida, May 2, 1978.
37. Status on Surgical Approach to Obesity. Florida Medical Association Meeting, Hollywood, Florida, May 3, 1978.
38. Surgical Control of Morbid Obesity. American Psychiatric Association Meeting, Atlanta, Georgia, May 12, 1978.
39. Duodenal Ulcer Disease. Charlotte County Medical Society, Port Charlotte, Florida, June 19, 1978.
40. Surgical Treatment of Morbid Obesity. Surgical Grand Rounds, University of South Alabama, Mobile, Alabama, June 23, 1978.
41. Beneficial Effects of Adequate Nutrition in the Surgical Patient. Medical and Nutritional Update II, Vanderbilt University, Nashville, Tennessee, August 29, 1979.
42. A Surgeon's View of Respiration and Illness. Symposium by the Sea. The North Carolina Society of the American Association for Respiratory Therapy and the American Lung Association of North Carolina, Wrightsville Beach, North Carolina, August 31, 1979.

 71. The Gastroesophageal Junction. Forty-third Meeting of Southeastern Clinical Club, Nashville, Tennessee, February 5, 1982.
 72. Long Term Results of Surgery for Morbid Obesity. Postgraduate Course. American College of Surgeons, Chicago, Illinois, October 24-28, 1982.
 73. (1) Acute Cholecystitis. (2) Prevention and Management of Bile Duct Strictures. National Study Center for Continuing Medical Education, 7th Annual N. Frederick Hicken, M.D. Symposium - Hepatobiliary Disease, Tampa, Florida, November 12, 1982.

James Patrick O'Leary, MD

Curriculum Vitae

74. (1) Surgical Planning in the Jaundiced Patient. (2) Upper Gastrointestinal Hemorrhage - Diagnosis and Management. Symposium - Update: Gastrointestinal Disease, Palms of Pasadena Hospital, St. Petersburg, Florida, November 13, 1982.
75. Nutritional Assessment of the Critically Ill Patient. 4th Annual Continuing Medical Education Program on Management of the Critically Ill Patient. St. Thomas Hospital, Nashville, Tennessee, December 3, 1982.
76. Impact of Nutritional State on Surgical Outcome. Singleton Surgical Society. Nashville, Tennessee, February 18, 1983.

PRESENTATIONS (continued):

77. Pancreaticoduodenal Fistulae. Postgraduate Course. Southeastern Surgical Congress, Atlanta, Georgia, April 24-27, 1983.
78. (1) Impact on Nutritional and Malnutrition on the Surgical Patient. (2) Current Surgical Approach to Peptic Ulcer Disease. Florida Association of General Surgeons, International College of Surgeons, Hollywood, Florida, May 7, 1983.
79. Development of a Matrix for National Board of Medical Examiners, Part II: Surgery, Association for Surgical Education, Seattle, Washington, 1983.
80. Surgical Approach to Morbid Obesity. Surgical Grand Rounds, Visiting Professor, University of South Florida, Tampa, Florida, June, 1983.
81. Medical Education/Medical Student of the 1980's. 23rd Annual Charlotte Postgraduate Seminar, Charlotte, North Carolina, October, 1983.
82. Factors that Predict Success in Medical School. Association for Surgical Education, Hilton Head, South Carolina, April, 1984.
83. Surgical Treatment of Reflux Gastritis. Grand Rounds, Visiting Professor, University of Tennessee, Knoxville, Tennessee, April, 1984.
84. Long Term Effects of Surgical Procedures in Bariatric Surgery. American Gastroenterological Association, New Orleans, Louisiana, May, 1984.
85. Use of Prophylactic Antibiotics. Symposium on Antibiotics, Dallas, Texas, September 10, 1984.
86. Follow-up after Surgery for Morbid Obesity. Keynote Address, First International Meeting on Bariatric Surgery, Genoa, Italy, October, 6, 1984.
87. Bleeding Peptic Ulcer. Postgraduate Course. American College of Surgeons. San Francisco, California, October, 1984.

88. Upper Gastrointestinal Crohn's Disease. Southern Medical Association, Joint Session of Surgery, Radiology and Medicine, November 5, 1984.
89. (1) Recurrent Peptic Ulcer Disease. (2) Reflux Esophagitis. Visiting Professor, Surgical Grand Rounds, Portland, Maine, January 31, 1985.
90. (1) Etiology of Morbid Obesity. (2) Peptic Ulcer Disease. (3) Surgical Approach to Crohn's Disease. Postgraduate Course. Keystone, Colorado, February 18-22, 1985.

PRESENTATIONS (continued):

91. Coals to Newcastle: The Second Operation for Duodenal Ulcer Disease. Visiting Professor, University of Florida, Gainesville, Florida, March 11, 1985.
92. Discovery: An Afterthought. Guest Lecturer, Baylor University Medical Center Reunion II, Bermuda, April 8-15, 1985.
93. Current Status of Gastric Restrictive Procedures. Postgraduate Course, American College of Surgeons. Miami, Florida, April 1-4, 1985.
94. (1) Vagotomies and Vagotomists. (2) What To Do For the Second Operation for Peptic Ulcer Disease. Visiting Professor, Alabama Chapter, American College of Surgeons, Point Clear, Alabama, May 10-11, 1985.
95. The Second Operation for Duodenal Ulcer Disease. Visiting Professor, Surgical Grand Rounds, St. Luke's Roosevelt Hospital, New York, New York, May 15, 1985.
96. Primary Operation for Patients with Duodenal Ulcer Disease. Invited Speaker, Surgical Grand Rounds, Methodist Hospital, Dallas, Texas, October 25, 1985.
97. Heparin and Adhesions, Guest Lecturer, Bexar County Medical Society, San Antonio, Texas, November 6, 1985.
98. Role of Anticoagulants in Abdominal Adhesions, Guest Lecturer, Little Brothers Journal Club, Dallas, Texas, November 20, 1985.
99. The Mechanics of Wound Infection. Invited Speaker, Surgical Grand Rounds, Methodist Hospital, Dallas, Texas, December 13, 1985.
100. Liver Transplantation: A New Idea. Invited Speaker, St. Vincent's Hospital, Austin, Texas, February 5, 1986.
101. Surgical Stapling. Invited Speaker, Symposium, Center for Surgical Treatment of Obesity, Anaheim, California, March 6, 1986.

James Patrick O'Leary, MD

Curriculum Vitae

102. The Effect of Minidose Heparin in Experimental Peritonitis. North Texas Chapter of the American College of Surgeons, Dallas, Texas, March 7-8, 1986.
103. The History of the Surgical Approach to Morbid Obesity. Invited Speaker, Good Shepherd Hospital, Longview, Texas, March 18, 1986.
104. Infection in the Surgical Patient. Visiting Professor, Irving Community Hospital, Irving, Texas, April 14, 1986.

PRESENTATIONS (continued):

105. Infection in the Surgical Patient. Invited Speaker, Tri-County Medical Society, Bowie, Texas, April 15, 1986.
106. The Indiscriminate Malabsorption Approach. Symposium on Morbid Obesity. Los Angeles, California, April 26, 1986.
107. Cost Effectiveness-Antimicrobial Prophylaxis in General Surgery. Invited Speaker and Chairman of Panel; Infection: A Complication of Surgery Symposium, Georgetown, Washington, D.C., June 6-8, 1986.
108. Cost Effectiveness-Antimicrobial Prophylaxis in General Surgery. Invited Speaker and Chairman of Panel; Infection: A Complication of Surgery Symposium, Seattle, Washington, June 20-22, 1986.
109. (1) Nutritional Compliance in the Surgical Patient, (2) Reoperations in patients after previous gastric surgery, Visiting Professor, Texas Tech University, El Paso, Texas, June 26, 1986.
110. Nutritional Consequences of Obesity Surgery. Presented at the Second International Symposium on Obesity Surgery. Jerusalem, Israel, September 15-19, 1986.
111. Discovery. Guest Speaker, Belmont Abbey College, Board of Trustees Meeting, Belmont, North Carolina, October 23, 1986.
112. Esophageal Disease: The Surgical Approach. Invited Speaker, John Peter Smith Hospital, Fort Worth, Texas, January 7, 1987.
113. The Various Surgical Modalities Presently Used in the Treatment of Morbid Obesity. Invited Speaker, International College of Digestive Surgery (C.I.C.D. Symposium, Ischgl, Tirol, Austria, March 28 - April 4, 1987.
114. Prophylactic Use of Antibiotics in Surgery. Invited Speaker and Chairman of Panel; Infection: A Complication of Surgery Symposium, Irving, Texas, April 10-12, 1987.
115. Complications Following Surgery for Ulcer Disease. Guest Lecturer, Austin Surgical Society. Austin, Texas, May 28, 1987.

James Patrick O'Leary, MD

Curriculum Vitae

116. Prophylactic Use of Antibiotics in Surgery. Invited Speaker and Chairman of Panel; Infection: A Complication of Surgery Symposium, Quebec, Canada, June 19-21, 1987.
117. Prophylactic Use of Antibiotics in Surgery. Invited Speaker and Chairman of Panel; Infection: A Complication of Surgery Symposium, Toronto, Canada, August 21-23, 1987.
118. Sphincteroplasty in Patients with Spasm of the Sphincter of Oddi. Presented at the Texas Surgical Society Meeting, Fort Worth, Texas, October 5, 1987.

PRESENTATIONS (continued):

119. The Pathophysiology of Staple Line Wound Healing. Invited Speaker, Surgical Stapling Symposium at Washington University, St. Louis, Missouri, November 5, 1987.
120. (1) Alkaline Reflux Gastritis, (2) What Medical Students are Being Taught. Visiting Professor, University of Florida Grand Rounds, Gainesville, Florida, November 14, 1987.
121. Reflux Esophagitis. Invited Speaker, Collin County Medical Society, McKinney, Texas, November 17, 1987.
122. The Role of Feces, Necrotic Tissue and Various Blocking Agents in the Prevention of Adhesions. Southern Surgical Association Annual Meeting, Hot Springs, Virginia, December 8, 1987.
123. Biliary Lithotripsy: Concept and report of the first case in North America. Invited speaker, Midwest City Memorial Hospital, Oklahoma City, Oklahoma, January 5, 1988.
124. Biliary Lithotripsy: Concept and report of the first case in North America. Invited speaker, Methodist Medical Center Grand Rounds, Dallas, Texas, March 11, 1988.
125. Morbid Obesity: Update on Therapy; Biliary Lithotripsy. Invited speaker, University of Florida Winter Medical Update, Vail, Colorado, March 14-15, 1988.
126. Biliary Lithotripsy: Concept and report of the first case in North America. Invited speaker, North Texas Chapter of the American College of Surgeons, Dallas, Texas, March 26, 1988.
127. Biliary Lithotripsy: Concept and report of the first case in North America. Invited speaker, All Saints Hospital, Fort Worth, Texas, April 5, 1988.
128. What are we teaching? What are we testing? Association for Surgical Education, San Antonio, Texas, April 6, 1988.
129. 1) Caveats About Staple Line Healing in Intestinal Anastomosis. 2) Biliary Lithotripsy. Visiting Professor, University of South Florida, Tampa, Florida, April 14-15, 1988.
130. Physiology of Gut Hormones. Invited Speaker, Department of Transplantation Services, Baylor University Medical Center, Dallas, Texas, April 27, 1988.

James Patrick O'Leary, MD

Curriculum Vitae

131. 1) Update on Surgical Research at BUMC. 2) Biliary Lithotripsy: A report of the first U.S. case. Invited Speaker, Society of Baylor Surgeons, Baylor University Medical Center, May 23, 1988.
 132. Reoperation for the Failed Bariatric Procedure. Invited Speaker, Milan, Italy, July 6, 1988.
 133. Postgastrectomy Syndromes Revisited. Invited Speaker, Methodist Medical Center Grand Rounds, Dallas, Texas, September 9, 1988.
- PRESENTATIONS (continued):**
134. Biliary Lithotripsy. Visiting Professor, St.. Barnabas Medical Center, Livingston, New Jersey, September 12, 1988.
 135. Biliary Lithotripsy: Preliminary report. Visiting Professor, Texas Tech Medical School, Amarillo, Texas, September 21, 1988.
 136. Biliary Lithotripsy: The Role of this New Technology. Invited Speaker, Orange County Surgical Society, Torrance, California, September 27, 1988.
 137. Biliary Lithotripsy: A New Technology. Invited Speaker. New Orleans Gut Society, New Orleans, Louisiana, October 13, 1988.
 138. Biliary Lithotripsy. Invited Speaker. Internal Medical Staff Meeting, Baylor University Medical Center, Grapevine, Texas, November 3, 1988.
 139. Biliary Lithotripsy: An Assessment. American Lithotripsy Society, New Orleans, Louisiana, November 13, 1988.
 140. Biliary Lithotripsy: A New Technology. Invited Speaker. The University of Alabama, Birmingham, Alabama, November 16, 1988.
 141. 1) Role of Surgery in GI Bleeding - Update 1988, 2) Extracorporeal Shock Wave Lithotripsy - Current Status. Invited Speaker, Gastrointestinal Endoscopy: New Horizons in Diagnosis and Therapy Postgraduate Course, Lake Buena Vista, Florida, December 7-10, 1988.
 142. Biliary Lithotripsy: The Baylor Experience. Invited Speaker. Mount Carmel East Hospital, Columbus, Ohio, January 25, 1989.
 143. 1)Biliary Lithotripsy. 2) Advertising Bariatric Surgery versus Patient Awareness and Public Education. Invited Speaker. Seventh Annual Symposium on Surgical Treatment of Obesity, Los Angeles, California, February 8, 1989.
 144. Biliary Lithotripsy: BUMC Experience. Invited Speaker. Indianapolis, Indiana, March 9, 1989.
 145. 1) Biliary Lithotripsy: Current Status. 2) Surgical Treatment for Morbid Obesity. Guest Lecturer. 2nd Annual University of Florida Winter Medical Update, Breckenridge, Colorado, March 11-18, 1989.

James Patrick O'Leary, MD

Curriculum Vitae

146. Biliary Lithotripsy: Current Status. Invited Speaker. Sheppard Air Force Base, Wichita Falls, Texas, April 12, 1989.
147. Biliary Lithotripsy: Preceptorship. Invited Speaker. Birmingham, Alabama, April 18, 1989.

PRESENTATIONS (continued):

148. Biliary Lithotripsy: Current Status. Invited Speaker. Holy Cross Hospital; North Ridge Medical Center; and Ft. Lauderdale Surgical Society, Ft. Lauderdale, Florida, April 20, 1989.
149. Early Results Following Biliary Lithotripsy. H. William Scott Society, Nashville, Tennessee, April 21, 1989.
150. Newer Treatment Modalities for Biliary Tract Disease. SAGES Panel Member, Louisville, Kentucky, April 29, 1989.
151. Treatment of Cholelithiasis with Lithotripsy. Invited Speaker. Association of VA Surgeons, San Antonio, Texas, May 4, 1989.
152. Symposium on New Treatment Modalities for Biliary Tract Disease. Visiting Professor, University of Cincinnati, May 6, 1989.
153. Biliary Lithotripsy: Current Status. Invited Speaker. Scott and White Memorial Clinic, Temple, Texas. May 5, 1989.
154. Biliary Lithotripsy: Current Status. Invited Speaker. County Surgical Society. Corpus Christi, Texas, May 10, 1989.
155. Biliary Lithotripsy: Current Status. Texas Medical Association. Ft. Worth, Texas, May 12, 1989.
156. Current Status of Biliary Lithotripsy. Visiting Professor. Texas Tech Medical School, Lubbock, Texas, May 19, 1989.
157. Current Status of Biliary Lithotripsy, General Surgery Seminar Update and Review. Guest Speaker. Hilton Head Island, South Carolina, June 7-8, 1989.
158. Current Status of Biliary Lithotripsy. Guest Lecturer. William Beaumont Hospital, Royal Oaks, Michigan, July 17, 1989.
159. (1) Surgical Approach to Morbid Obesity, (2) Advances in Shock Wave Therapy for Gallbladder Stones. Visiting Professor. University of New Mexico Postgraduate Course in Surgery, Albuquerque, New Mexico, July 20-21, 1989.
160. Philosophy of Treating Patients Who Have Cholelithiasis with Biliary Lithotripsy, Visiting Professor. American Lithotripsy Society Meeting, Denver, Colorado, October 12-15, 1989.

161. Current Status of Biliary Lithotripsy. Visiting Professor. New Jersey Medical School, Livingston, New Jersey, October 23-24, 1989.

PRESENTATIONS (continued):

162. Biliary Lithotripsy: An Update. Visiting Professor. Roanoke Memorial Hospital, Surgical Grand Rounds. Roanoke, Virginia, December 2, 1989.
163. Biliary Lithotripsy: An Update, Medstone User Conference, Cosa Mesa, California, January 31, 1990.
164. Basic Science in Surgery: Implementation Strategies, Association of Program Directors. San Antonio, Texas, March 8-10, 1990.
165. (1) Basic Science Education in Surgical Residency, (2) Post-Gastrectomy Syndromes. Invited Speaker. Winter Medical Update, Winter Park, Utah, March 10-17, 1990.
166. (1) Biliary Lithotripsy: An Update, (2) Surgical Management of Morbid Obesity. Visiting Professor. University of Mississippi, Jackson, Mississippi, March 15-17, 1990.
167. (1) Physics of Spark Gap Lithotripsy, (2) Safety of Biliary Shock Wave Lithotripsy. Guest Faculty, Advances in Biliary and Urinary Shock Wave Lithotripsy. Tulane University Medical Center, New Orleans, Louisiana, March 29-30, 1990.
168. Fluid and Electrolyte Management in the Surgical and Postoperative Patient. Invited Speaker. Baton Rouge General Medical Center, Baton Rouge, Louisiana, June 13, 1990.
169. Discovery. Invited Speaker. Address at the L.S.U. Dental School Certificate Awarding Ceremony, New Orleans, Louisiana, June 22, 1990.
170. Health of Health Care. Invited Speaker, Baton Rouge Surgical Society, Baton Rouge, Louisiana, September 13, 1990.
171. Newer Modalities in the Treatment of Biliary Tract Disease. Visiting Professor. East Carolina University, Greenville, North Carolina, September 18-19, 1990.
172. Surgical Intervention for Obesity. Invited Speaker. Pennington Biomedical Research Center, Baton Rouge, Louisiana, February 21, 1991.
173. Pathophysiology of Staple Line Healing. Invited Speaker. University of Florida Annual Winter Medical Update. Breckenridge, Colorado, March 9-16, 1991.
174. Gastrointestinal Malabsorptive Procedures. Invited Speaker. NIH Consensus Conference, Bethesda, Maryland, March 25, 1991.

James Patrick O'Leary, MD

Curriculum Vitae

175. Inflammatory Bowel Disease - Surgical Approach. Invited Speaker. Central New York Surgical Society, Syracuse, New York, March 28, 1991.

PRESENTATIONS (continued):

176. 1) Postgastrectomy Syndromes. 2) Newer Approaches of Biliary Tract Disease. Invited Speaker. Alabama Chapter of American College of Surgeons, Point Clear, Alabama, May 12, 1991.
177. Thoracotomies in the Emergency Department. Guest Speaker. Emergency Medicine Seminar, New Orleans, Louisiana, June 9, 1991.
178. Obesity - Review of NIH Consensus Conference. Guest Speaker. University of Florida Alumni Meeting. Melbourne, Florida, November 16, 1991.
179. Pathophysiology of Staple Line Wound Healing. Invited Speaker. University of Miami. Miami, Florida, January 16, 1992.
180. Current Status of Bariatric Surgery. Invited Speaker. Woodward Society, University of Florida. Gainesville, Florida, February 27, 1992.
181. Current Status of Bariatric Surgery: How We Got Here. Keynote Speaker. Southeastern Gastric Bypass Association. Gainesville, Florida, April 25, 1992.
182. The Postgastrectomy Syndrome. Guest Speaker. Virginia Chapter of American College of Surgeons. Hot Springs, Virginia, May 1, 1992.
183. Operation for Reflux Esophagitis. Guest Speaker. The Southeastern Surgical Congress. Atlanta, Georgia, June 1, 1992.
184. Bacterial Translocation, Multiple Organ System Failure, and Jejunoileal Bypass: A Review. Sixth International Symposium for Obesity Surgery. Genoa, Italy, September 21, 1992.
185. The Postgastrectomy Syndrome. Oregon Chapter of the American College of Surgeons. Medford, Oregon, September 25, 1992.
186. Severe Obesity: Historical Perspective and Current Status. Oregon Chapter of the American College of Surgeons. Medford, Oregon, September 25, 1992.
187. Complex Postgastrectomy Syndrome. Guest Speaker. Georgia Baptist Hospital. Atlanta, Georgia, November 17, 1992.
188. Morbid Obesity Update 1993. Guest Speaker. South Carolina Surgical Society, Greenville, South Carolina, January 14, 1993.

James Patrick O'Leary, MD

Curriculum Vitae

189. Multiple Organ Failure: The Neglected Role of the Gut. Guest Speaker. South Carolina Surgical Society, Greenville, South Carolina, January 15, 1993.

PRESENTATIONS (continued):

190. Residency Indebtedness. The Association for Program Directors in Surgery. Dallas, Texas, February 25, 1993.
191. Postgastrectomy Syndrome: Revisited. Guest Speaker. Minneapolis Surgical Society, March 4, 1993.
192. Gut and Multiple Organ Failure. Guest Speaker. Surgical Grand Rounds, Stony Brook State University. April 3, 1993.
193. What Primary Bariatric Procedures Fail: Indication for Reoperation. Guest Speaker. American Society Bariatric for Surgery. June 9, 1993.
194. 1) Esophagus: Reflux Esophagitis. 2) Morbid Obesity Update, 1993. 3) Postgastrectomy Syndrome. Guest Speaker. Southern Medical Association 2nd Annual Surgery Update. July 20- 21, 1993.
195. General Surgery Update and Consultation. Guest Speaker. Nan Tong, China, August 8-26, 1993.
196. Guest Lecturer, Georgia Surgical Association, September 16-18, 1993.
197. Stonewall Jackson: His Death and Its Lesson for Modern Surgeons. Guest Speaker. Shreveport Surgical Society. February 3, 1994.
198. (1) Established Infection in the Abdomen, (2) The Dumping Syndrome - More Biochemistry than Surgery. Guest Speaker. University of Florida Winter Medical Update, March 4-7, 1994.
199. Bacterial Translocation: An Old Study Revisited. Guest Speaker. Alabama Chapter, American College of Surgeons, May 13, 1994.
200. The Death of Stonewall Jackson and Its Lesson for Modern Surgeons. Visiting Professor, Mercer University, May 20, 1994.
201. Reflections on the Development of Surgery for Severe Obesity. Guest Speaker. Austrian Surgical Society, Salzburg, Austria, June 1-4, 1994.
202. Surgical Treatment of Severe Obesity. Visiting Professor, Medicine Grand Rounds, Pacific Coast B University of California at San Diego, September 20, 1994.
203. 1) Innovative Treatment of Cancer in a Florida Notable. 2) Benign Esophageal Disease: A Surgical Wasteland. Invited Speaker, University of Florida Winter Medical Update, Park City Utah, March 4-10, 1995.

204. Invited Speaker, General Surgery Update, Hilton Head Island, Georgia, April 6-9, 1995.

PRESENTATIONS (continued):

205. 1) The Surgeon: Analogy with the Old Farm Tractor. 2) Postgastrectomy Syndrome - Will Another Operation Help? Visiting Professor, University of Tennessee, Chattanooga, Tennessee, June 13-14, 1995.
206. 1) Stonewall Jackson: His Death and its Lessons for Modern Surgeons. 2) Statistics Even a Surgeon Can Understand. 3) Bariatric Surgery: Its Past and Future. Invited Lecturer. Southern Medical Association 4th Annual General Surgery Update. July 24-26, 1995.
207. Postgastrectomy Syndromes. Visiting Professor, Orebro, Sweden, September 20, 1995.
208. Stonewall Jackson. Visiting Professor, Bowman-Gray School of Medicine Research Day, Winston-Salem, North Carolina, November 7, 1995.
209. Postgastrectomy Syndromes. Visiting Professor, Surgical Grand Rounds, Memorial Medical Center, Savannah, Georgia, October 12, 1995.
210. General Surgeon: Analogy with the Old Farm Tractor. Visiting Professor, University of Rochester, Rochester, New York, December 8-9, 1995.
211. Benign Esophageal Disease: A Surgical Wasteland, Grand Rounds. Visiting Professor, University of Florida. Gainesville, Florida, January 8-10, 1996.
212. Postgastrectomy Syndrome. Visiting Professor. Keesler Air Force Base. Biloxi, MS. January 17, 1996.
213. General Surgeon: The Analogy with the Old Farm Tractor. Invited Speaker. University of Florida Winter Medical Update. Copper Mountain, CO. March 7, 1996.
214. Postgastrectomy Syndromes. Invited Speaker. Grand Rounds. Good Samaritan Regional Medical Center. Phoenix, AZ. March 14, 1996.
215. Postgastrectomy Syndrome. Visiting Professor. Surgical Grand Rounds. Cornell Medical Center. New York Hospital. April 10, 1996.
216. 1) The Surgeon: Analogy with the Old Farm Tractor. 2) Postgastrectomy Syndrome - Will Another Operation Help? Visiting Professor. Surgical Grand Rounds. University of South Alabama College of Medicine. Mobile, AL. April 12, 1996.
217. The General Surgeon: The Analogy of the Old Farm Tractor. Visiting Professor. Surgical Grand Rounds. St. Barnabas Medical Center. May 29, 1996.

James Patrick O'Leary, MD

Curriculum Vitae

218. General Surgery: Analogy with the Old Farm Tractor. Visiting Professor. Kimball I. Maull Lectureship. University of Tennessee Medical Center. Knoxville, TN. June 22, 1996.

PRESENTATIONS (continued):

219. Pancreas. Invited Speaker. APDS 7th Annual Basic Science Course. New Orleans, LA. September 18-21, 1996.

220. 1) Surgical Diseases of the Esophagus; 2) Portal Hypertension. Invited Speaker. Southeastern Surgical Congress Comprehensive Review Course. New Orleans, LA. September 19-22, 1996.

221. 1) The Surgeon: Analogy with the Old Farm Tractor; 2) Postgastrectomy Syndrome - Will Another Operation Help?. Visiting Professor. Butterworth Hospital/ Michigan State University. Grand Rapids, MI. September 25-26, 1996.

222. Management of Benign Esophageal Disease. Visiting Professor. Surgical Grand Rounds. University of Mississippi Medical Center, Jackson, MS. October 19, 1996.

223. Stonewall Jackson: His Death and Its Lessons for Modern Surgeons. The AOA Annual Address. University of Virginia. Charlottesville, VA. February 18-20, 1997.

224. Stonewall Jackson: His Death and Its Lessons for Modern Surgeons. Visiting Professor. East Tennessee State University. Johnson City, TN. February 21-22, 1997.

225. Perforated Duodenal Ulcer-Peritonitis. Visiting Professor. University of Florida Winter Medical Update. Big Sky, MT. March 8-14, 1997.

226. Stonewall Jackson: His Death and Its Lesson for Modern Surgeons. Visiting Professor. Wilford Hall. San Antonio, TX. March 28, 1997.

227. Postgastrectomy Syndrome: Will Another Operation Help? Visiting Professor. University of Texas Health Science Center. San Antonio, TX. March 29, 1997.

228. Esophageal Disease vs. Cardiovascular Disease (Differential Diagnosis). Invited Speaker. The Fundacion Clinica Shaio. Bogota, Colombia. June 2-8, 1997.

229. Postgastrectomy Syndrome: Will Another Operation Help? Visiting Professor. Georgia Baptist Medical Center. Atlanta, GA. July 8/9, 1997.

230. The Real Cause of the Death of Stonewall Jackson...A Southerner's View. Visiting Professor/Guest Speaker. The Third Annual Trauma Symposium. San Antonio, TX. August 25, 1997.

231. Postgastrectomy Syndrome: Will Another Operation Help? Visiting Professor. Brown University School of Medicine. Providence, RI. September 2/3, 1997.

232. Surgical Diseases of the Esophagus. Guest Speaker. Southeastern Surgical Congress - Comprehensive Clinical Review Course. Denver, CO. September 19-21, 1997.

PRESENTATIONS (continued):

233. Pancreas. Guest Speaker. Association of Program Directors in Surgery - 8th Annual Surgical Basic Science Course. Baltimore, MD. September 24-27, 1997.
234. Esophageal Disease. Visiting Professor. Good Samaritan Regional Medical Center. Phoenix, AZ. October 29-30, 1997.
235. 1) Appendicitis in Pregnancy; 2) Lower Gastrointestinal Bleeding. Guest Speaker. Southeastern Surgical Congress 66th Annual Scientific Meeting. Atlanta, GA. January 31-February 4, 1998.
236. Gender Issues. LSU School of Medicine Social issues in Medicine. New Orleans, LA. February 9, 1998.
237. Postgastrectomy Syndrome: Will Another Operation Help? Visiting Professor. University of Oklahoma. Oklahoma City, OK. March 27-28, 1998.
238. Postgastrectomy Syndrome: Will Another Operation Help? Surgical Grand Rounds. York Hospital. York, PA. April 23, 1998.
239. Postgastrectomy Syndrome: Will Another Operation Help? Visiting Professor. Washington Hospital Center. Washington, DC. June 15-16, 1998.
240. Patient Selection. ASBS Essentials of Bariatric Surgery Course. Faculty participation. Orlando, FL. June 24, 1998.
241. Postgastrectomy Syndrome: Will Another Operation Help? Visiting Professor. Wayne State University. Detroit, MI. September 10-12, 1998.
242. Pancreas. Association of Program Directors in Surgery Ninth Annual Surgical Basic Science Course. Guest Speaker. New Orleans. September 16-19, 1998.
243. Building of a Department from the Ground Up--Based on a Commitment to Teaching. Thoracic Surgery Directors Association Fall Meeting. Guest Speaker. Chicago, IL. September 19-20, 1998.
244. Surgical Diseases of the Esophagus. Southeastern Surgical Congress Comprehensive Clinical Review Course. Atlanta, GA. September 26-27, 1998.
245. Postgastrectomy Syndrome: Will Another Operation Help? Visiting Professor. Yale University. New Haven, CT. October 8-9, 1998.
246. Postgastrectomy Dumping - Is Another Operation Indicated? Guest Speaker. Southern Medical Association Annual Scientific Assembly. New Orleans, LA. November 18-22, 1998.
247. Guest Speaker. The Hugh M. "Smiley" Hill Event. Gainesville, FL. January 23-24, 1999.

PRESENTATIONS (continued):

248. Stonewall Jackson: His Death and Its Lesson for Modern Surgeons; Postgastrectomy Syndrome: Will Another Operation Help? Visiting Professor. Carolina's Medical Center. Charlotte, NC. May 13-14, 1999.
249. Stonewall Jackson: His Death and Its Lesson for Modern Surgeons; Postgastrectomy Syndrome: Will Another Operation Help? Visiting Professor. The University of Oklahoma. Tulsa, OK. June 7-8, 1999.
250. Evolution of Surgical Therapy for Obesity. Guest Speaker. 16th Annual Meeting of the American Society for Bariatric Surgery. San Diego, CA. June 9, 1999.
251. Historical Perspective of Bariatric Surgery with a Look at the NIH Process from a Former NIH Panel Member. Guest Speaker. Allied Health Sciences Section Special Session. San Diego, CA. June 9, 1999.
