Resilience

9th annual art show & auction

food · wine · live music

February 11, 2021 6 - 9 p.m.

Florida International University
Graham Center Ballroom

tickets: medicine.fiu.edu/ART/
auction closes 7:30 p.m.

The Mammography Art Initiative is an organization founded by FIU medical students which hosts an annual art show and silent auction of local artwork. The proceeds of this event support the services of the Linda Fenner 3D Mobile Mammography Center, which provides mammograms and breast health education to underserved women of Miami-Dade County. Our goal is to reduce the disparities found in breast cancer prevention, screening, and access to care.

FMV per ticket is equal to \$5. Please note that your contribution may be considered tax deductible. Any and all net proceeds from this event, after payment of associated expenses, may be used to support the Mammogram Initiative through the FIU Foundation, Inc. The amount of your contribution that is deductible is limited to the excess of your contribution over the value of foods and services provided to you. In accordance with Foundation policy, the foundation may assess an Advancement Initiative fee in the amount of 3% of the Gift ("Initiative") to support the University's general fundraising and capital campaign expenditures.

MAMMOGRAPHY
ART
INITIATIVE

The logo for the Mammography Art Initiative. It consists of the words "MAMMOGRAPHY", "ART", and "INITIATIVE" stacked vertically in a clean, sans-serif font. A pink ribbon, a symbol for breast cancer awareness, is superimposed over the word "ART".
