Applicants must belong to one of the following categories:

- Tenure-track Assistant Professors within the first four years of obtaining their initial Assistant Professor position. (Cut-off date: July 1, 2013.)
- Clinical Instructors and Senior Clinical Fellows (*in the final year of their sub-specialty training*) holding an MD who are pursuing a period of independent research before taking a tenure-track faculty position. Such individuals must have an exceptional record of research accomplishment, dedicated laboratory space and the support of their institution.
- Distinguished Fellows with an exceptional record of research accomplishment identified by their institution to pursue an independent research program and who have dedicated laboratory space. These candidates are markedly distinct from traditional postdoctoral fellows. Examples: Whitehead Fellows, UCSF Fellows, Cold Spring Harbor Fellows. *[Research Assistant Professors, Research Associate Professors, Research Scientists and Postdoctoral Fellows are not eligible]*
