Borinquen West Dade	There's a conference room where students can leave their stuff. We do have a small kitchen area with a fridge.	There's a conference room where students can leave their stuff. We do have a small kitchen area with a fridge.	We have free parking on site.
Broward VA	The office can be used for study purposes as they need to. There is a lounge in primary care and students have access to it. They can also use this area to study.	While in Broward VA, students are assigned an office to see patients. For the day, that office is theirs. All offices have the same layout. In each office, there is an overhead compartment where the students can store their belongings. The patient bed also has 2 drawers they can use for storage.	Regarding parking, students are allowed to park in the clinic roof where the employee parking is located. There is a second parking lot for employees next to the building where they can also park. There is gate entrance next to the parking lot with easy access to facility areas.
Dr. David Ross	We have a staff room with lockers and counter space in our office with room for students to sit and study/work.	We have a staff room with lockers and counter space in our office with room for students to sit and study/work.
